1. **Health Policy.** Our goal is a school full of healthy children. We come close to achieving this goal if parents and staff work together. Our staff members practice and teach good health habits, such as hand washing before meals and after toileting. We ask that parents do their part by keeping ill children out of school. We know unplanned absences from work mean hardships for many parents. We recommend that you have a relative, baby-sitter, or friend lined up for back-up care when your child is ill.
2. Several of our staff members have training to screen children for signs and symptoms of communicable diseases. Screening is done in the morning as the children arrive, as part of our normal greeting procedure. If a child has a temperature of 100° or higher, diarrhea, vomiting, or other signs of communicable illness at school, we will make the child comfortable, separate him/her from the other children, and call the parent to pick up the child as soon as possible.
3. Parents agree to inform Grasshopper Green and Kenwood School staff if a member of their immediate household has developed any reportable communicable disease, as defined by the State Board of Health, within 24 hours. Any life threatening diseases must be reported immediately.
4. **Tuition.** Parents agree to pay the tuition set forth in the annual registration letter and any subsequent modification thereto; such as registration letter and modification are hereby incorporated (by reference) into this agreement. A \$15.00 delinquent fee will be due if, Kenwood's monthly payment is made after the fifth day of the month, and/or Grasshopper Green's weekly payment is not received by the end of business Wednesday. The parent(s) agree to pay court costs and 25% attorney's fees in the event of default payment pursuant to the above terms. It is also agreed that parent(s) shall be entitled to no deduction for absences of students from school for any reason. Parent(s) agree that by paying non-refundable registration fees, they are enrolling their child in Grasshopper Green for the current or an upcoming session.
5. **Notice of Withdrawal.** Parent(s) agrees to give at least two weeks written notice to the school before withdrawing student from school.
6. **Notice of Expulsion.** In the event it becomes necessary to expel or suspend a child because of disciplinary problems, unresolved differences with a parent, or non-payment of fees, the Director may give notice of expulsion immediately.
7. **Use of Pictures.** Parent(s) hereby gives permission for use of picture(s) or video/audio recording of child participating in school activities for school publicity purposes.
8. **Duty of Care.** The school shall exercise reasonable care in the supervision, education, and welfare of the student during the period the student is in its custody. In a medical emergency, the school shall attempt to contact the parent(s) and personal physician as soon as possible, but it shall be free and hereby authorized to secure the most available medical assistance, consonant with what appears to be in the best interest of the student at the time of the emergency.
9. **Field Trips.** I/we give my/our permission for Grasshopper Green and Kenwood Schools to transport my/our child/children to and from field trip destinations. I/we understand that I/we will have at least 24 hours notice and have the option of making other childcare arrangements for field trip days in I/we so choose.
